Education

B.E in AI and Data Science

Chaitanya Bharathi Institute of Technology, Gandipet.
CGPA: 7.38

2021 - 2025

Intermediate

Narayana Junior College, Patancheruvu, Hyderabad.
Percentage: 93.6%

2019 - 2021

High School

Sri Chaitanya e-Techno School, Suryapet, Telangana.
GPA: 9.5

2019

Work Experience

EDspread(Student Community)

Oct 2022 – Dec 2022

Full Stack Development Intern

Remote

Student Dashboard System

Implemented predictive analytics using **scikit-learn** and **TensorFlow**, fortifying machine learning models for enhanced performance predictions

Engineered an intuitive UI with dynamic **data visualizations** (D3.js, Chart.js), streamlining the interpretation of student performance

Projects

Phishing Website Detection

Designed a user-friendly website incorporating a **Random Forest ML Model** for precise **Phishing Detection**. Integrated **URL analysis** and content inspection, significantly contributing to robust anti-phishing measures. [\[Source Code\]](#)

Web-based Quiz App

Designed a user-friendly website incorporating a **Random Forest ML Model** for precise **Phishing/item Detection**. Integrated **URL analysis** and content inspection, significantly contributing to robust anti-phishing measures. [\[Source Code\]](#)

Skills

Languages: Python, Java, SQL

Backend: Django, Express.js

Frontend: HTML, CSS, Bootstrap

Clouds & Databases: MongoDB

Developer Tools: VS Code, GitHub

Additional Skills: Cybersecurity, Operating System (OS), Data Structures and Algorithms (DSA), Database Management System (DBMS)

Coding Platforms

GeeksforGeeks: [Profile](#)

LeetCode: [Profile](#)

HackerRank: [Profile](#)

Certifications

Python-hackerRank: [\[Certificate Link\]](#)

CyberSecurity-Coursera: [\[Certificate Link\]](#)
